Twister

Author's Notes:
Chat gave me an idea for a Twister-based prompt. It was supposed to come out a bit different, but whatever. Heh.

"Okay Janne, left hand on red!"

Henkka puts the spinner down next to him and watches Janne struggle to place his hand on the red dot. He has to stretch over Alexi, sprawled over the mat with both feet on blue and green spots.

Turning a blind eye, he feels something round and squishy on his hand. Henkka bursts out laughing, and Alexi gasps.

"Oh? What's this?" Janne squeezes the mound more.
"Janne!"
"What's wrong, Allu?"
"That's my ass. You're grabbing my ass."

Janne manifests an alarmed and startled look. Then he laughs.

"Oh my god! I touched an ass!"
